

Our Vision
Learning Together

'Learning from God; learning with each other'

Our school is a caring Christian community which values every individual member.

Our aim is for each child to feel secure and happy at school whilst developing a love of learning. Each child is different and we encourage him or her to take pride in his or her achievements and together to strive for excellence.

In order to achieve these aims, we believe it is essential for our school to work closely with parents, carers and the community to enable children to become life long learners and responsible members of society.

Our school is a Church of England Voluntary Controlled Primary School and we value its Christian ethos.

Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. Matthew 11:29
