As Avid Readers we will be: reading a range of high quality, age appropriate texts linked to our topics; using stories and sacred texts to find out more about core belief and practices in religions; enjoying class readers; using non-fiction texts to carry out research; enjoying whole-class reading

To develop our desire to be Global Citizens we will be: learning about local history, and how the two World Wars affected daily life in Norton; exploring issues of energy production and conservation, and climate change; learning about and showing respect for Christianity and other major faiths, and their practices and cultures; exploring what it means to be a member of our school community; learning about the importance of respecting other's cultures and experiences; developing our command of spoken and written French; learning about prejudice and stereotyping, especially in terms of race and religion.

In becoming Bold Adventurers, we will: learn about taking safe risks and overcoming obstacles; preparing ourselves for secondary school; visiting places of worship and meeting believers to find out more about world faiths; presenting to an audience; knowing how to stay safe online whilst embracing the technologies available to us; preparing for statutory examinations; learning to be a risk-taker in our approach to learning

As Healthy Champions, physically and, we will be: following the Jigsaw scheme to explore issues linked to both our physical and mental health; learning about our bodies in science and the effects of unhealthy lifestyle choices; participating in a range of physical activities in PE; valuing our own experiences and beliefs in RE; learning to foster healthy attitudes in a range of contexts, including learning to value our differences and knowing how to confront and challenge those who do not respect others
