

Science Coverage 2021-2022

Key				
Materials	Animals, including humans	Plants	Seasonal changes	Living things and their habitats
Forces	Light	Rocks	Sound	Electricity
States of matter	Earth and space	Evolution and inheritance		

Teaching Sequence following Early Years Framework 2021*							
EYFS Understanding the World Early Learning Goal: The Natural World	Exploring of the importance of our bodies and healthy eating	Identifying similarities and difference in objects and materials	Making observations of plants Identifying similarities and differences in relation to living things	Making observations of minibeasts, recognising changes that take place as they grow	Discussing seasonal changes, different types of weather and suitable clothing		
Teaching Sequence following National Curriculum 2014**							
Year 1	Materials	Seasonal changes	Materials	Animals, including humans	Seasonal changes	Plants	Seasonal changes
Year 2	Living things and their habitats	Plants	Materials	Animals, including humans	Materials	Plants	Living things and their habitats
Year 3	Rocks	Animals, including humans	Light	Plants	Forces		
Year 4	Animals, including humans	Living things and their habitats	Sound	Electricity	States of matter		
Year 5	Earth and space	Materials	Forces	Living things and their habitats	Animals, including humans		
Year 6	Electricity	Light	Evolution and Inheritance	Living things and their habitats	Animals, including humans		

* Early Learning Goals are considered prior learning to the corresponding Science units in the National Curriculum.

** Units are not strictly term-based and there may be some overlap between them.
