

YEAR 2 HOME LEARNING

Please choose a task from the selection below, or be inspired to design a task of your own. Have your home work ready for the exhibition on Weds 3rd December

AUTUMN

RESEARCH TASKS

CREATIVE TASKS

Don't forget to include some written info to accompany creative builds!

KINGS, QUEENS & CASTLES

- Research a famous king or queen and find out about their life.
- Find out about a famous royal castle, palace or residence.

- Visit a castle and write about your day. Take lots of photos!
- Make a model of a castle out of cardboard, Lego, Minecraft etc. Bring in photos and some writing about it!

AROUND THE UK

- Produce a factfile about a famous UK destination you have visited
- Research some key facts about England, Scotland, Northern Ireland or Wales

- Help a grown-up prepare a famous UK recipe. Take photos and write about your progress!
- Visit a local tourist attraction and record your trip in writing & photos

ANIMALS & THEIR HABITATS

- Produce a factfile about a favourite animal and its habitat
- Research a habitat and the different plants and animals that live there, eg desert, rainforest

- Create a model of a habitat
- Go for a wildlife walk and record your findings with photos
- Visit a zoo/farm park and record your day

OTHER AREAS

- Create a pictorial map showing a favourite walk or journey
- Write a letter to a member of the royal family with some questions of your own.

- Explore the art of printing, making some patterns of your own
- Write a story and create a little book to publish it.
- Write a fun rhyming poem!
