
Stone Age Rocks !
Select as many of these activities to complete, as you wish.
If you want to do something that is not listed here but still links to our topic, feel free! Please bring your completed pieces to school on
25th November
Go out side, maybe to the woods and construct a shelter from natural materials.
Send in a photograph of it with an explanation of what you built and how you did it.
Spend some time researching Stonehenge.
Then create model or a poster to share what you have discovered. Add labels or captions containing all of the interesting facts
Using a range of materials, make a model of a prehistoric tool or weapon.
Write instructions for to help someone recreate it.
Produce a fact file about a woolly mammoth, sabre tooth tiger or any other prehistoric animal you can think of.
Write a menu for a prehistoric feast.
